## Application — Five Takeaways

**June 4, 2017**

**Judges 4:1-10**

1. When a person or a nation persists in sin, they can come under the discipline of God to lead them to repentance and faith.
2. When a person or a nation refuses to repent and turn back to God, it can lead to their destruction.
3. God can fight against or for a person or a nation depending on their moral and spiritual behavior and their real needs after they call upon God for help.
4. God can raise up godly leaders, true prophets, and honest judges whose values God expects us to discern from what we know from the Bible so we can rightly follow them.
5. It is better to be on the right side of God and on the wrong side of history than be on the right side of history and the wrong side of God.
