Application — Five Takeaways

June 25, 2017

Judges 13:1-7 & 24-25

1. The Israelites were in the hands of the Philistines forty years: some will never live long enough to know a time when their country was not under the discipline of God, or a time when their country had not forfeited the protection of God.
2. When a country is suffering from the discipline of God, God's people must keep alive and spread as they wisely can the truths about God found in the Bible.
3. To save His people, God will often do what is humanly impossible through humans.
4. The Spirit of God can move people to do whatever God wants whenever He wants.
5. Being dedicated to God from birth does not guarantee a person will remain dedicated to God. Believers choose daily to dedicate themselves to God's service.
