

## **International Bible Lesson**

### **Five Applications from Joshua 24:1-3, 13-15, 21-24**

1. By word and example, the Lord God expects Christian leaders to call and draw others to faithfully follow Jesus Christ according to the Scriptures.
2. Even if our ancestors have followed false gods, the Lord God expects us to follow the God of the Bible exclusively rather than also follow false gods, false leaders, or unbiblical ideas.
3. God through Jesus Christ has given believers in Jesus Christ abundant material and spiritual blessings that we never labored for, built, or planted.
4. Some people believe it is evil to follow the God of the Bible, and they will sometimes express their ideas in either blatant or devious ways to mislead others away from the true God.
5. Every Christian needs to resolve daily, and perhaps hourly, thinking believingly, “The LORD our God we will serve, and his voice we will obey.”
