Some Bible study groups or classes can further discussion by asking some or all of the **Questions for Discussion and Thinking Further** below. Others may want to send the bulletin size *International Bible Lesson* home with their students for further study in the coming week to encourage continuing Bible study. The *Study Hints for Discussion and Thinking Further* below are not actually intended to be *the answers* to the discussion questions. These indeed are “hints” a teacher may use to help students think through and discuss the questions in class. The *Class Preparation Guide* includes the questions below, and it can be given to students at the end of the previous class so they can pray, read, and think ahead to prepare for the next week’s Bible class.

Questions for Discussion and Thinking Further

He cuts them off.

They must remain in Jesus and His words must remain in them; then, they will ask and wish according to God’s will.

By loving Jesus and doing what He commands.
