Application — Five Takeaways

October 8, 2017

Exodus 19:16-25

1. The world has enough evidence from nature, history, and the spoken words of God for everyone to believe in God; and those who refuse to believe in God are without excuse.
2. We learn the most about the nature and character of God from God's acts in history and God's words as revealed in the Bible.
3. Because God loves us, He warns us to help and save us.
4. God has given us rules and laws best suited to our human nature as He created us.
4. All who say they believe in God need to consecrate themselves to God.
