

International Bible Lesson

Five Applications from Luke 18:1-8

1. Prayer is conversation with God our Father or Jesus Christ our Lord and Savior with the help of the Holy Spirit.
2. Praying without ceasing and not giving up shows our faith in and love for God.
3. Listening to God as we read the Bible helps us learn more about the character, the commands, and the will of God, so we can know what concerns, people, and situations we should include in our prayers.
4. Praying always will change us and change our conversations with God; then, God will delight more in us and we will delight more in God.
5. When God answers prayer, He must consider all the consequences of His answers and the perfect timing of every consequence with every person, making delayed answers possible.
