Five Applications from Genesis 1:1-13

1. Because Jesus is the divine and supernatural Light, God created the natural light through Jesus. Everything was made with Jesus (see John 1).
2. God created the natural light without first needing to create the sun, moon, or stars.
3. The power of God's voice can bring reasonable order out of chaos. Nothing can be created from nothing by chance.
4. Everything God has done, does, and will do is good.
5. God created the plants to reproduce themselves according to kinds.
