### **Five Applications from**

### **Genesis 24:12-21, 61-67**

1. Before we take any task we need to pray for the Lord's guidance to help us be successful in doing His will and showing His kindness to others.
2. The Lord wants to answer prayers requesting His help in meeting the real needs of others, requesting His guidance, and requesting His kindness.
3. The Lord will answer specific prayers, especially when we need His guidance and help to do His specific will, especially His will as expressed in the Bible and in Jesus' commands.
4. Believers need to develop the character traits that Abraham's servant and Rebekah demonstrated. A willingness to seek to do God's will and help others through prayer. A willingness to show hospitality. A willingness to do and offer to do more than requested by those truly needing help. Do the Lord's will complete, quickly, and without delay.
5. When we learn what God wants for us or wants us to do by seeing God's work in our lives and the lives of others, we need to accept and give thanks to the Lord for showing us His will so we can do rightly.
