International Bible Lesson Applications

1. Always take Jesus' words seriously, especially what He taught as He neared death (see Matthew 25).
2. As God, Jesus always knew what would happen to Him and all that was going on and would go on around Him no matter how far away. He can always help us because He knows the same things about us.
3. Those who plotted to murder Jesus were defeated when He rose from the dead; eventually He will defeat all His enemies (see Matthew 25:46).
4. As the Holy Spirit leads us according to the Scriptures, whatever we do to serve Jesus will never be wasted, and no one should consider it a waste.
5. Jesus commends and defends us when we do something good for Him or in His Name in the service of others.
