

## **1 Samuel 18:1-5 & 19:1-7**

### **International Bible Lesson Applications**

1. We can have a true and eternal friendship with Jesus, and Jesus can bring good Christian friends into our lives in a covenant of love.
  
2. Because he loved him, Jonathan was willing to sacrifice for David. Because Jesus loves us and we love Jesus and others, we can become willing to sacrifice our earthly future and lives for Jesus and others.
  
3. Jonathan stripped himself of his armor to help and protect David. We can put on the full armor of God and receive God's help and protection (see Ephesians 6:13-17).
  
4. Some may want to kill us physically and/or spiritually, but Jesus can physically and/or spiritually protect us and take great delight in us as we love and obey Him.
  
5. As Jonathan interceded with his father in behalf of David, we can intercede with our heavenly Father in behalf of those we love and others.
