

Ephesians 5:21-33 & 6:1-4

International Bible Lesson Applications

1. The Bible teaches how a husband and wife should be subject to one another out of reverence for Christ, and that reason is good enough.
2. It is easier for a husband and wife to be subject to one another when they love each other as they love themselves and as Christ loves the Church.
3. Neither a husband nor a wife should ask the other person to do anything that is immoral, illegal, contrary to the teaching and example of Christ, or contrary to the Bible's clear teachings—no one should do these things.
4. Because the Bible is true, preaching and teaching the Word of God should help the Church and Christian listeners become morally and spiritually cleansed, holy, and without blemish.
5. Because Jesus Christ is our Savior and the Head of the Church, the Body of Christ, Christians need to be subject to Christ in all matters.
