Verse-by-Verse Bible Lessons Thru the Bible

John 12:37-43 Application

1. Do not reject the clear and compelling evidence that the Bible is true and Jesus is the Son of God who came in the flesh as the Savior of the world.
2. You can tell people that Jesus' many signs revealed the compassionate power of God and His work in people's lives reveals His grace and mercy.
3. You can warn people not to harden their hearts against God because they love doing evil, for after their God-given opportunity to turn from darkness to the light is gone, God may harden their hearts in just punishment.
4. We can believe the prophets in the Old Testament because the Son of God sometimes appeared to them in His glory before He came to earth as the Son of Man.
5. Do not let your fears or your desires for the approval of others deter you from confessing Jesus Christ as Savior and Lord when you know the Holy Spirit is leading you to do so. Neither should you throw pearls before swine.
