

## **Romans 2:1-12 Study Hints for Discussion**

### **1. What are some consequences for us when we pass judgment on someone else?**

We have no excuse for our sins because we show we know right from wrong, and we condemn ourselves because we do or have done the same things. We face God's just judgment and wrath.

### **2. On what does God base His just judgments?**

On the truth, on what is right or righteous.

### **3. What are some of the riches God bestows on all people in this life? What is the purpose of God when giving people these riches?**

His kindness, forbearance (merciful delays in our just punishment) and patience are riches He gives us. His purpose is to lead us to repentance.

### **4. How can people store up God's wrath for themselves in the future?**

By remaining stubborn and unrepentant despite all God does to help them repent of their sins and seek God.

### **5. What did Paul say people should seek? How should they seek it? What will they receive?**

They should seek glory, honor and immortality. They should persist in doing good. They will receive eternal life, glory, honor, and peace.
