Verse-by-Verse Bible Lessons Thru the Bible

Romans 12:1-8 Application

1. Christians worship God spiritually by sacrificially serving God in holy and acceptable ways—Jesus being their example.
2. With the help of the Holy Spirit, Christians can renew their minds through the prayerful study of the Bible and thus be transformed and able to discern and do the good, perfect, and acceptable will of God.
3. Our God-given faith helps us remain humble and learn from God and others what we need to do to become more like Jesus Christ.
4. Jesus gives His followers different abilities and gifts so He can have a complete body on earth with every part (member) working together with every other part (member) to achieve His purposes for His Church on earth.
5. Jesus expects His followers to use the gifts He has given them for His intended purposes; for example, ministers should minister; teachers should teach; exhorters should exhort; givers should give generously; acts of mercy should be done with cheerfulness rather than in despair or unhappiness.
